BAR NONE
For a couple who loves to entertain, Steven G. of **Interiors by Steven G.** in Pompano Beach designed this bar in a Boca Raton condominium. Guests can have a seat in one of the hand-stitched Italian leather barstools and enjoy a drink at the Cristallo marble-topped bar, made of Macassar ebony veneer. The barware shines in front of a back panel finished in stacked honed limestone, while the chrome and opal monospot ceiling lighting adds a soft yet contemporary feel. *(305-621-5550, interiorsbysteveng.com)*
